Serving Municipalities Throughout California!

MuniTemps® is proud to serve Municipalities with temporary staffing, recruiting, and consulting services at budget-friendly rates.

We are partnering with Municipalities to help meet the fiscal challenges caused by the State's budget crisis.

MuniTemps is the only temporary staffing company working exclusively with Cities and other Municipal government organizations. Our firm has a unique advantage in recruiting people with the right skill-set needed for all Departments of Municipal organizations including:

Administrative/Legislative	Finance/Accounting
Human Resources	Public Works
Planning/Building	Utilities

MuniTemps can provide the best temporary workers because a growing number of individuals are registering with MuniTemps as the leader and premier provider of temporary staffing exclusively for Municipalities and other Municipal government organizations.

Proud sponsor and member of:

SERVICES PROVIDED FOR OUR MUNICIPAL CLIENTS:

TEMPORARY AND INTERIM STAFFING

MuniTemps® provides temporary staffing services, recruiting, training, and testing of our own employees and assigns them to supplement your staff with technical expertise and to fill temporary vacancies.

TEMP-TO-HIRE STAFFING

Under a temp-to-hire arrangement, MuniTemps employees are placed with our clients where they work for a trial period, during which both the employee and client consider a "permanent" employment relationship.

PAYROLLING STAFFING

Some of our clients provide us with the individual to be assigned to them, however, that individual remains on the MuniTemps payroll and covered under MuniTemps workers compensation, payroll taxes, and applicable fringe benefits.

EXECUTIVE RECRUITING

A professional service provided to our clients that need to attract, hire, and develop leaders who hold key responsibilities for achieving planned, strategic, and evolving goals of their organization.
